What's up with these Flavored and Scented Condoms?

Do you like and enjoy the security of condoms but wish they had a better taste or a different smell? Well now you can have that wish, with Flavored and Scented Condoms. Condoms have been around for a very long time; however it was only recently that they begin to become more of what we really wanted. You no longer have to choose a plain condom that simply got the job done; now there are condoms that you enjoy the flavor of, and condoms without that latex smell.

Imagine a lush tropic night and a condom that smelled and tasted like an orange, or a sweet interlude with a strawberry flavored and scented one? Talk about being able to truly get into the swing of things. There are a few Flavored and Scented Condoms to choose from, starting with the Durex Colors and Scents, these condoms come in orange, banana, strawberry, and mint scents, which each color matching the flavor. Each condom has the reservoir tip for added protection and comfort. You also do not have to worry about them being uncomfortable as they have a silky smooth lubricant to keep things moist.

Next are the Durex Rainbow Colors, these condoms giving you a rainbow of colors to choose from. These also have the reservoir tip and lubrication for added comfort and protection. You know you can be sure that you can have fun while playing it safe.

CondomMan.com also carries the Viva Flavors condoms. This brand of condom is highly used in Europe and who can wonder why with great flavors like, chocolate, vanilla and grape. The colors of the condoms let you know with a visual glance what flavor you are wearing today. The Viva condoms are known for the security and quality since they are made with the highest rubber latex and raw materials around, along with advanced German Technology.

Crown Colors are on this list as well, with a vivid variety of colors available, along with the well-known Okamoto's famous sensitivity, and strength providing you protection and comfort at an economical price. You can choose from yellow, red, blue and green and with the water based lubricant and reservoir tip you will feel even more comfort and security.

Then you can look for the Lifestyles Kiss of Mint condoms when adding play time. These condoms have no lubricant to get in the way and are a great choice for a little Holiday fun. Each of the Lifestyles condoms is tested three times for durability and meets the U.S. standards for protection. Lifestyles are said to feel like using nothing at all.

Another Lifestyles condom is the Lifestyles Tuxedo; this sleek black condom is made "for a night on the town or a quiet and sophisticated evening for two". Each condom has a slightly flared shape for increased sensations and lubrication to keep things fun and flowing smoothly.

No matter which of the CondomMan.com condoms you choose you will find your choice opening up a variety of colors, flavors, and scents to choose from. All of this while knowing you and your partner are protected and safe, from unwanted pregnancy and HIV. Each of the condoms is good for two to five years from the date of purchase.
