

## The New Okamoto Condoms Sampler Pack

When looking into choosing a condom, having a choice can help you to make the right decision each time; and that is why you will find the Okamoto Condoms Sampler Pack a great place to start looking. With the sample pack you will have Asia's most popular condom and the newest brand to sweep America by storm thanks to the Sheerlon Material that gives them the Skinless Skin Feel. Each of the Okamoto Sampler Pack Condoms expires from 2-5 years from date of purchase and is tested electronically for reliability and security.

When buying your Okamoto Condom Sampler Pack you simply choose how many you want and which kind you want. First on your list of choices is the Beyond Seven; these wholesale condoms are made from that great Sheerlon Material which is not only thinner than the other types but also strong and durable. Each of the Beyond Seven wholesale condoms are said to feel more natural and also like skin itself. This condom will protect you and help both you and your partner feel closer than ever. The Beyond Seven wholesale condoms are also individually tested with precision electrostatic technology to ensure the safety of each wearer.

The Beyond Seven Studded is the next wholesale condom on our list that you can get in the Okamoto Wholesale Condoms Sampler Pack. With the Beyond Seven Studded wholesale condoms you get the great Sheerlon Technology, but with Ribs and Dots added for both you and your partners pleasure. These thinner than the ordinary wholesale condoms added security while providing heightened sensations imagine a natural feeling with pleasure enhanced studs to bring even more to the bedroom.

We then have the Beyond Seven Plus condom on the Sampler Pack Condoms list. These wholesale condoms are once again made from the Sheerlon Material providing a more natural feeling condom than the other brands. The Beyond Seven Plus wholesale condoms are enhanced with a special lubrication that has spermicide in it for added protection.

The Crown is next in the Sampler Pack selection, it is a super thin and sensitivity enhanced wholesale condom that look more natural than all the others. It is pink colored and has a non-contoured design, and a reservoir tip to give you the protection, while not taking away from the look and feel of intercourse. Each of the Crown wholesale condoms have been tested with the electrostatic technology to ensure a great quality product. They are good from the date of purchase for two to five years and if used correctly can help reduce the risk of pregnancy, sexually transmitted disease such as HIV. This condom by CondomMan is one of the most used and reordered wholesale condom on the market. They are also known for their use by the stars and that they are odorless and tasteless, so nasty rubber flavoring here. The Crown condoms are also great for those who need something a little wider and longer than the average condom.

Another Okamoto Sampler Pack Condom is the Crown Colors, these condoms give you the great Crown product with a vivid view of colors to choose from, they are known for their strength and safety, with a great price and look to each and every one. The water based lubricant helps keeps things smooth while the reservoir tip head provides an added protection and better feel.

For those wanting something a little more natural then you might choose the Beyond Seven with Aloe, when deciding on your Okamoto Sampler Pack Condom choices. These wholesale condoms are lubricated with natural aloe extract which helps alleviate discomfort while giving you a more earthy choice. The aloe lubricant last longer than the other types giving you and your partner time to slow things down. The added reservoir tip helps keep things clean while allowing for added protection.
