

## Sports Apparel - The New And Improved Fashions for Sports Fan

Women's fashions have revitalized the sports apparel market by offering smaller sizes and more form fitting cuts on traditional jerseys and shirts. Now, women can still show team spirit with a little more style and fashion appeal.

This article discusses the various styles of sports apparel that are popular for Spring offering ideas and tips designed for the fashion conscious sports fan.

If you've ever shopped for a female sports fanatic, you'll know that merchandise is still heavily weighted towards the masculine form. Many women love sports as much as men and feel the same need to show their loyalty and support for their team by donning a jersey, t-shirt or hat of their team of choice. Often times however, women have to wear mens or youth sizes which don't really accentuate the female figure.

Sports apparel manufactures have wised up to the growing number of female fans and recognized that women make up 40% of their consumer audience. Many companies like Nike and Reebok have finally clued in on the driving purchase power of female fans and designed new lines that are more appealing to women. Now women fans can find capped tees and tank tops available for women of all shapes and sizes. The figure fitting designs accentuate a women's body instead of squaring it off as in previous times.

In addition to form fitting tees and tanks, women can now find NBA jerseys, MLB jerseys and NFL jerseys that are not only in women's sizes but come with feminine embellishments such as rhinestones, embroidery and softer fabrics. Shorts, sandals and even pajama outfits are widely popular among the female sports enthusiasts.

If you're shopping for women or kids, you'll probably want to stick to the replica jerseys or even select jerseys made specifically for youth and women's sizes. The material used on replica jerseys is softer and more comfortable. Many stores offer women's versions of sports apparel, but I like to shop online and search for the stores that carry women's and youth sizes. This way, I know before I go if I'm going to find styles that are too my liking.

Some women are such sports fanatics, they don't care what they wear or how they look, while others still want to look pleasing and fashionable. Either way, the world of women's sports apparel has evolved to include items that will please female fans of all makes and sizes. So whether you are shopping for yourself or looking for a gift for an avid sports fan, NBA jerseys, [MLB jerseys](#) and NFL jerseys as well as t-shirts and capped tees are a great way to support your team of choice and make a loved one shine in style.
