

Why is Online Game Rental Better?

- Convenience

All you have to do to get your games is log on, choose and wait! There is no rushing around attempting to get the game back on time at your local store.

- No due dates and do late fees!

You can keep a video game as long as you like. Unlike a normal game rental shop, you'll never be charged for overdue games, you may even be able to purchase the game at a discounted rate if you like it that much.

- Huge Choice of Games

[Online game rental](#) stores often have a choice of Wii, Playstation 3 & 2, Xbox, 360 and Nintendo DS, Game Cube. These are just the tip of the iceberg though. There is much more to renting online. Many sites now allow you to rent movies too. The not so obvious benefits of renting your games online are that you will only ever be charged the monthly fee, the games are sent to you within three days, you'll get an envelope pre paid for when you send the game back, get the newest releases posted to you on the day of release and you can keep the game for as long as you want.

Why wouldn't you want to rent games online!
