

What Are Store Fixtures?

These days acrylic display, sign holders and acrylic frames are a perfect choice as table tents, menu holders, photo and picture frames, and retail displays. If promotional graphics, ads or a logo are placed inside an acrylic frame or sign holder they instantly give it importance and places it in the direct view of customers. These days various sizes and prices of acrylic displays are available, in which all signs attractively displayed and protected.

The easy availability and benefits of acrylic are making it that popular. The binning and banding system made of acrylic has years of proven acceptability in all types of stores as it can be used for soft goods for neater displays and also for cosmetics, toiletries and other packaged products. Store fixture products include grid wall, slat wall, display cases and counters, acrylic displays, countertop displays, jewelry displays, glass displays, retail shelving, greeting card racks, clothing racks, hat racks, clothing forms and mannequins and hangers. Slat wall is a wall system which is the most popular to display merchandise and maximize total use of wall areas.

By use of slat wall panels and accessories allow complete versatility to display merchandise anywhere on the panel. Also, the look of slat wall is very eye appealing, giving a clean, streamlined look. The accessories of slat wall fit in grooves anywhere on the panel, allowing you to set up displays exactly how you want them. Truck line ships slat walls. Along with slat walls grid walls have also become the most popular and versatile way to utilize both wall-mounted applications and freestanding floor displays. These panels are durable and medium weight system in a variety of panel sizes, constructed of quarter inch thickness wire made up of three inch squares, which accept various display accessories for hanging, shelving, and merchandising products. Products made from acrylic include acrylic display cases, brochure display holders, countertop displays, clothing racks etc. all these can be bought online as well as from any retailer near by for setting up the aesthetics of the store.

The online shopping of these items is very easy and gives a clear picture of the material which is being shopped. The online shopping guides provide nearly anything one needs to customize the look of the store, from one acrylic display case to several brochure display holders. Even smaller items like hangers for clothes to bigger items like professional clothes steamers and much more are available at very genuine prices.

Other items made from acrylic which can be used in a store for displaying are gondola shelves. Also shelves of required shape and size for displaying greetings are made from acrylic plastic. These racks give store a new and attractive look thus attracting customers. More products made of acrylic are packaging materials like retail shopping bags, gift and jewelry boxes, tissue paper and price guns, tagging gun and tags, size rings, shopping baskets, store security mirrors, and clothes steamers etc.
