

## Playing Online Slot Games Helps You Stay Beautiful – It's Official!

Play online slots this February and you could look '10 Years Younger' with Mecca Games!

Mecca Games have teamed up with Nicky Hambleton-Jones, star of the hit Channel 4 show '10 Years Younger' to offer online slots players the chance to win a fantastic top-to-toe makeover.

Every week throughout February, the top 100 online slots game players\* will be entered into a prize draw to win a complete makeover from the 10 Years Younger team.

You'll get a personal stylist, mark-up artist and hair stylist – all personally approved by Nicky herself who will help you achieve that perfect new look.

But this great prize doesn't stop there! Aside from Nicky's experts advising you on everything from the perfect hairstyle to top make-up tips, they'll also help pick out the best from your current wardrobe to make sure that everything matches and they'll even give you £500 for new clothes!

Once Nicky's team have finished, you're sure to be looking good and ready to take on the world!

Whether the prize is a gift for your Mum, a friend or just an opportunity to spoil yourself, all you need to do is play on the huge range of [online slots](#) to make sure that you are in with a chance of winning.
