

Should I start an Abunza business?

Starting a home based business requires a real commitment. Often, this commitment turns into success and a lot of income. It can be time consuming and challenging at times, so before making this commitment, you should answer these questions:

Will I be able to commit my time?

Am I motivated enough to do with with a supervisor looking over my shoulder?

Do I have the proper work ethic?

Many people have some incorrect assumptions when it comes to web-based business. A common misconception is that the only step required is to set up a shopping portal and the website will sell products by itself. The truth is that your results are a direct your effort.

A new home based business is called [Abunza](#).

Abunza is a bi-lingual business opportunity in both English and Spanish. It is the first opportunity of it's kind to capitalize on both the English market and on the 100 million Spanish speaking people online. As an Abunza distributor, you get ownership of two digital libraries in both Spanish and English, valued in excess of \$75,000, which you can either retail individually at 100% commission through your Abunza bi-lingual shopping cart software, or you can market the library wholesale through our 2 tier compensation plan that pays out 100%.

The other benefit by being an Abunza member, is that you have trained professionals from the Abunza Dream Team that will call back your prospects for you, in either Spanish or English and facilitate sales for you, so that you never need to actually speak with any prospective distributor.

Part of the beauty behind the Abunza compensation plan is that you are paid instantly and directly both when a new retail customer pays for a retail product through the Abunza shopping cart software, and when a new distributor orders the wholesale digital library.

You do not need to be a computer expert. Abunza has done 95% of the work so that you don't have to. You get set up for you automatically the complete Abunza marketing website including the shopping cart software. Additionally, there are video tutorials that walk you step by step how to market your Abunza website on the internet for free, or through a variety of other advertising methods, including advertising co-ops. Because you also get the Spanish version of Abunza, you can participate in advertising co-ops targeting Spanish radio, Spanish TV and other advertising media.

You earn 100% commission of every product sale to a retail customer through your Abunza store. Retail customers simply pick a product that they want, add it to their shopping cart, and pay you directly via their credit card. You own complete resale rights to ALL these products to sell or give away as you wish.
